DURING COVID-19 VACCINATION SCHEDULE

**DATE :** 23 NOVEMBER 2021

The National and Local Governments are now exerting efforts in achieving herd immunity through the wide dissemination of COVID-19 vaccines to all Filipino citizens. The pilot or start of the inoculation of minors with the said vaccines is also recently being processed.

In support to the cause of the Government and with the recent pronouncement from the Commission on Higher Education on the conduct of limited face-to-face classes subject to compliance of its guidelines, **the University encourages all students to participate in the vaccination efforts of their respective cities or municipalities** in preparation to the anticipated return of face-to-face classes. Further, all deans and faculty are hereby informed that all students who will be included/scheduled to be inoculated with the COVID-19 vaccine shall be officially excused from their classes, given that these students will duly coordinate with their respective instructors/professors for the said matter.

For information and guidance.
